

Protect yourself & simplify your real estate transaction with

LENNARTrack™

Lennar Title's Secure Digital Portal

With **LennarTrack**, you can create an online account and gain secure access to your personal real estate transaction with notifications and important documents in one place. Once your transaction is completed, you'll have immediate access to download digital copies of your recorded documents.

Ensure your information is secure by registering with LennarTrack today!

- **Wire fraud is increasing! *Lennar Title will never send wire instructions via email. You must access them securely via LennarTrack.***
 - According to the FBI's 2024 Internet Crime Report, real estate-related fraud led to over **\$400 million** in reported losses.¹
- To sign up for LennarTrack, follow the instructions in the "Invitation to Register" email.
- Send documents, information, or messages to your escrow team securely, 24/7.
- Check the status of your real estate transaction at your convenience.
- Access and print your documents any time before the two-year anniversary of your closing. Your Owner's Title Policy will be available within 30 days of closing.

LennarTrack streamlines the entire real estate transaction, giving you more control and providing a higher level of security for your personal information.

**Protect yourself from the dangers of wire fraud
